Professional Summary:

I am Passionate DevOps Engineer with a proven track record in orchestrating cloud resources and delivering seamless deployment automation solutions. Specialized in Azure and AWS ecosystems, leveraging Kubernetes, Docker, Helm, and Terraform. Proficient in CI/CD pipelines with Azure DevOps, Jenkins and ArgoCD. Committed to optimizing infrastructure monitoring using Grafana, Prometheus, ELK-Stack, and Zabbix.

Industry Experience:

Associate Kubernetes Admin | Infosenseglobal, Gandhinagar (fab '22 – continue)

- Created and maintained CI/CD pipelines in Azure DevOps, automating the software development lifecycle for multiple projects.
- Built and deployed high-availability Azure Kubernetes clusters using Terraform, with a 100% uptime record, Deployed and customized complex applications using Helm and manifest files.
- Monitored infrastructure using Grafana, Prometheus, and Zabbix, identifying and resolving issues before they affected production, Created custom dashboards and alerts in Grafana, improving the visibility and monitoring of infrastructure.
- Automated database and storage backups using shell scripts and Azure services, ensuring that data was always protected.
- Wrote shell scripts to automate maintenance tasks for AKS and ACR, saving 20 hours per week of manual work, Created scripts to assist developers, reducing the time they spent on manual tasks.
- Managed cluster security using RBAC, ensuring that only authorized users had access to critical resources.

Technical Skills:

- Docker, Kubernetes, Helm
- Azure, AKS, Azure DevOps CI-CD, Azure Container Registry, RBAC
- Aws, EKS/ECS, EC2
- Terraform
- Jenkins CI-CD, ArgoCD
- Git, GitHub, GitHub Actions - version control and CI-CD
- Linux, Shell-Scripting
- Infrastructure Monitoring: Grafana, Prometheus, ELK – Stack, Zabbix

Strength:

- Result Oriented and Workaholic.
- Self-Confident
- Determined towards the achievement
- Positive thinker

Education:

B.E. Mechanical from Gujarat Technological University | **Passing Year:** 2021 | **CGPA:** 8.48
