Industry Experience:

Associate Kubernetes Admin | Infosenseglobal, Gandhinagar | February 2022 – continue.

- Created and maintained CI/CD pipelines in Azure DevOps, **automating** the software development lifecycle for multiple projects.
- Built and deployed **high-availability** Azure Kubernetes clusters using Terraform, with a 100% **uptime** record, Deployed and customized complex applications using Helm and manifest files.
- Monitored infrastructure using Grafana, Prometheus, and Zabbix, identifying and resolving **issues** before they affected **production**, Created custom dashboards and alerts in Grafana, improving the visibility and monitoring of infrastructure.
- Automated **database** and storage backups using shell scripts and Azure services, ensuring that data was always protected.
- Wrote shell scripts to automate maintenance tasks for AKS and ACR, saving **20 hours** per week of manual work, Created scripts that **assisted** developers, **reducing** the time they spent on manual tasks.
- Managed cluster **security** using RBAC, ensuring that only authorized users had access to **critical** resources.

Technical Skills:

- Docker, Kubernetes, AKS, RBAC, Azure Container Registry, EKS/ECS, Helm
- Terraform, Azure, Aws, Linux, Shell-Scripting, GCP
- CI-CD: Jenkins, ArgoCD, Azure DevOps, GitHub Actions, GitLab
- version control: Git, GitHub, Azure Repos
- Infrastructure Monitoring: Grafana, Prometheus, ELK – Stack, Zabbix

Projects:

1. Automated **GitOps** Deployment of a Python Web Application on Kubernetes using Jenkins, GitHub, Docker, and ArgoCD
2. Automating the Deployment Lifecycle with Jenkins and Kubernetes
3. Deployment of workload on Azure Kubernetes Service Environment with **Terraform**
4. Cloud Storage Hosting on containerized **AWS** Environment

Certifications:

- Amazon Elastic Container Service (AWS ECS)
- Oracle Cloud Infrastructure 2023 Certified Foundations Associate
- Docker Training Course
- Effective Problem-Solving and Decision-Making

Education: B.E. Mechanical | Gujarat Technological University | Passing Year: 2021 | CGPA: 8.48
